

Premier Guard offers a wide range of drapes for all Siemens Healthineers equipment. We're one of the few companies to develop, manufacture and supply products worldwide.

Our distribution center can provide quick delivery of drapes to ensure that every Siemens Angiography System has a drape that adds value to protecting your operation.

#### Premier Guard

Premier Guard Intl. Ltd. is one of the world's leading producers of medical draping solutions, focusing on microscope and equipment covers, patient draping, and surgical accessories, as well as plastics for orthopedic soft-goods and after surgery applications.

#### Siemens Healthineers

Siemens Healthineers is a pioneer when it comes to providing medical technologies that help deliver a better quality of healthcare. At Siemens Healthineers, we strive to be a trusted partner in our changing landscape. Our aim is to support our customers at all levels and along the entire continuum of care to meet these new challenges and achieve a successful transition to next-generation healthcare.
